Commissioner For Patents

Honorable Commissioner:

Applicants note that two (2) Notices of Allowance, each dated and mailed October 28, 2004 have been received in the above-referenced application. One, which is believed to be the correct Notice, identifies claims 1-32 as allowed, and indicates receipt of the Information Disclosure Statement forwarded March 19, 2004. The other Notice received makes reference only to claims 1-20, and indicates receipt of an Information Disclosure Statement dated May 24, 2004, a copy of which is attached to the Notice and which applies to USSN 10/734,051, rather than to the above-identified application serial number. It is believed this Notice of Allowance applies to the serial number so noted, rather than to USSN 10/733,848, our Docket No. AVX-200.

The Examiner is respectfully requested to check the file of the above-referenced matter and advise the undersigned if the Notice of Allowance referring to allowed claims 1-32 is not correctly associated with the application referenced in the heading above.

Respectfully submitted,

DORITY & MANNING,
